Our Fantastic February Half Term Line-up!

Here at our Extended Schools HQ we have some wonderful crazy plans for the February Half Term including lots of crafts, games and most importantly FUN.

Monday: Crazy Crafts! Everything from monster making to sewing. Today is our creative craft day full of creating and making, so clear a space on the fridge for these master pieces.

Tuesday: 5,4,3,2,1 Blast Off! We're soaring high above the sky with our out of this world space day. All things spacy including rocket blasting, planet mobiles and our NASA inspired astronaut training camp.

Wednesday: The day of Love and Kindness, our Rascals will be creating something special including Valentine cards and heart shaped baking. Who knows where Cupid's arrows will land?

Thursday: Creature Comforts. We will spend the day thinking about our little furry/feathery/creepy crawly friends by making bird feeders and bug boxes to help them during the cold days and those that are just waking from their long sleep

Friday: Roll up, roll up the Circus is in town! Today we will become Masters of the Ring with juggling, balancing and diablos. Along with all things to do with the circus, (please note that unfortunately no taming of lions will be available this session) 😜

If this wasn't enough, we also have board games, Ipads, role play area, construction zone and a wii console plenty to keep your little ones busy and amused all day long!
