Executive Principal: Caroline Thayre

Dear parents and carers,

I am delighted to inform you that Robsack Wood Nursery has been graded as Outstanding in all areas by Ofsted, following a recent inspection on 8th November 2017.

Ofsted praised the leadership of the nursery and its early years provision stating that 'The extremely qualified and experienced managers and staff work incredibly well as a team to evaluate the quality of care and teaching they provide'. The report also highlights that 'Staff establish incredibly secure relationships with children. They get to know them exceptionally well and children develop extremely high levels of well-being' and that 'Staff establish outstanding partnerships with parents and keep them extremely well informed.'

The quality of teaching and learning was similarly complimented in the report: 'Staff are extremely enthusiastic and extend children's learning in exceptionally engaging ways..... Children are exceptionally confident in their communication skills.' The report also stated that 'Children of all ages make outstanding progress from their starting points, including those who have special educational needs and/or disabilities'

Dr John Smith, Chief Executive of the University of Brighton Academies Trust, said 'We are extremely proud of Robsack Wood's achievements and this latest Outstanding judgement. Its innovative provision, which cares for young babies and children aged from three months to four years, has been deservedly recognised and commended. It is well placed to continue disseminating this best practice to other early year's providers in the region.'

I am absolutely delighted that the hard work of all of Robsack Wood's children, families and staff has been recognised by Ofsted. Whilst this is the nursery's second outstanding judgement, we are always seeking ways to improve further, so that our youngsters are well cared for in a safe and stimulating environment and well prepared for their transition to academy life. This fantastic outcome would not be possible without our talented staff plus committed and supportive parents.

Please find attached a copy of the inspection report attached; alternatively this will be available on our website to download.

Yours sincerely,

Miss C Thayre
Executive Principal
